User stories for recipe manager Group G

#	User story	Role	Goal	Reason
1	Add recipe	**As a user**	I want to add a recipe with its ingredients and yield in portions	**So that I can save my recipe and be able to scale it**
2	View recipes	**As a user**	I want to view my recipes	**So I can view the recipe available**
3	Search recipes	**As a user**	I want to search for a recipe by name	**So that I can quickly find the recipe I am looking for**
4	View recipe details	**As a user**	I want to view the ingredients, quantities and yield of a recipe depending on my needs for portions	**So that I know what I need to prepare the recipe**
5	Scale recipe	**As a user**	I want to specify how many portions I want to cook	**So quantities are adjusted automatically for my needs**
6	Create shopping list	**As a user**	I want to create a shopping list for 1 or multiple recipes	**So that I know which ingredients I need to buy**
7	Combine ingredients	**As a user**	I want ingredients that occur in multiple recipes to be combined	**So that my shopping list does not contain duplicate ingredients**
8	Edit shopping list	**As a user**	I want to add or remove items from my shopping list	**So that I can add or remove other items not needed for the recipe in question**
9	calories	**As a user**	I want to be able to see how many calories are in a dish	**So that I know how much I am consuming**
10	Save and load data	**As a user**	I want my recipes and shopping lists to be saved and loaded from a file	**So that my data is still available when I restart the application**
11	Determine if a recipe is vegetarian	**As a user**	I want to know if the recipe is vegetarian, vegan or not	**So I can pick the right recipe according to my dietary needs**
12	Manage pantry	**As a user**	I want to e able to add and remove items from my pantry	**So i can see what I have at home in my pantry**

#	User story	Role	Goal	Reason
13		**As a user**	I don’t want items from the recipes to appear on my shopping list if I have them	**So that I don’t end up buying too much or multiples of an item**
14		**As a user**	I want to be able to cook a recipe without going shopping	**So that I can start cooking straight away**

Extra: search function for ingredients, sort shopping list alphabetically, when buying items add leftovers from purchased goods to the pantry
